Expo 2012 Yeosu
May 12 to August 12, 2012
Theme: The Living Ocean and Coast
Thematic Pavilion

POGO has been selected (recently) to participate in Ocean and Coast Best Practice Area (OCBPA)

Three sub-areas:

• Science and Technology
• Business and Industry
• Policy
Science and Technology Sub-Area

- Includes POGO, and
- GOOS
- JAMSTEC (Deep-Sea Biosphere and ROV)
- Census of Marine Life

(Policy area includes NOWPAP and Yellow Sea LME)
Next Steps

Detailed proposal required by January 31

Further discussions and negotiations until May

Issues

Coordination with other exhibitors in Science and Technology?

Budget and Manpower?

Do any institutes already have exhibits (suitable for general public)?

Any Members have an interest in participation by their Institutes?

What is possible?
